**Platform No. 4**  
While creating this map, we made sure to capture the current layout of Surat Railway Station as accurately as possible. Platform No. 4 has been under renovation for several months, and work is still ongoing as of September 28, 2024. The platform is currently inaccessible, and we will update this area of map as soon as it is ready for public use.

This map has been designed and developed by the Surat Spotlight team. We have physically visited the Surat Railway Station to gather real data, ensuring accuracy and reliability. Inspiration has also been drawn from other maps to enhance clarity and ease of understanding. Please note that we may make mistakes, as nothing is permanent and everything changes. For example, if we mention an ATM now, it doesn't necessarily mean it will remain there for a lifetime. If you encounter any bugs or mistakes, kindly report them as soon as possible. This map will be updated regularly, so be sure to download the latest version from the link provided below.
